Wood Finish Options

Lacquer: Our most popular finish. Can be done in gloss, simi-gloss, and satin.

Polyurethanes: Can be done in gloss, simi-gloss, and satin.

Tung Oil: Can be tinted. It does not have a gloss but can be easily repaired if damaged.

Dyes and stains of most shades can be matched for your special project. We strive to match as close as possible, but cannot guarantee a perfect match.

One time stain matching from your sample wood chip: \$165 - \$577.50

Exotic woods: call for special quote.

Terms & Conditions

Government Discount: All orders are given a 17.5% discount off MSRP. (Shown in this price sheet)

Lead Time: Lead time is 3 weeks from the date the purchase order is received, provided all details have been finalized.

Exceptions to this would only be units that are laminate, stain matches and exotic woods.

Payment Terms: Payment terms are 1% 10 Net 30.

Pricing: Shipping charges are included in pricing if within the lower 48 States.

Quantity Discounts: This discount is only given when the quantity is ordered at one time.

Quantity discounts are given as follows:

5 – 9 units 5% discount

10 – 35 units 7% discount

Cancellation Policy: Only prior to production. A cancellation charge will apply after production has begun. The government will pay 100% of accrued cost.

Return Policy: Returns are only accepted for damaged items refused at time of delivery. No additional costs will be charged to the government for damage items received and reported at time of delivery.

Warranty Information: Mulnix Industries, Inc. has a 5 year limited warranty on parts and labor for manufacturer defects from the date the order is delivered and signed for.

Mulnix Industries, Inc. is not responsible for any shipping damage or mishandling by customer.
